Subject: Invitation to the March meeting of the GEO Architecture and Data Committee meeting in Buenos Aires Argentina

Dear member of the Architecture and Data Committee,

It is my pleasure to invite you to the 12th Meeting of the Architecture and Data Committee kindly hosted by CONAE in Buenos Aires, Argentina, on 3 and 4 March 2010.

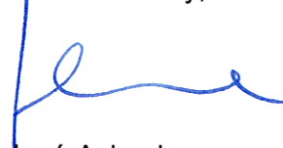

To allow more interaction and discussion with participants, the meeting will be structured in a new and different way (see the attached Agenda). Participants will be asked to report relevant progress on Architecture and Data activities, identify issues that need to be addressed, and propose new ideas for increasing the ADC's efficiency.

General information regarding travel to Buenos Aires is also attached. The two attached documents are also available on the GEO website.

For further information about your travel to Argentina, including letters supporting visa applications, please contact CONAE (adc2010@conae.gov.ar). For further information about the meeting itself, you can contact the GEO Secretariat at Secretariat@geosec.org.

Kindly confirm your attendance to both adc2010@conae.gov.ar and secretariat@geosec.org.

Yours sincerely,

José Achache
Secretariat Director
